

## Growing Today, Protecting Tomorrow

September 11, 2008

The Flexible Fuel Vehicle Club of America (FlexFuel Vehicle Club) cordially and enthusiastically invites you to attend the E85 Grand Opening Ceremony at the Germantown Town Center Chevron. Festivities will begin at 10:00 a.m. on Friday, September 26, 2008 with a press event, speakers and a ribbon cutting. This will be followed by E85 being sold for \$1.85 for 185 minutes, refreshments, photo opportunities and opportunities for information exchange and questions. The FlexFuel Vehicle Club is working with the Clean Fuels Foundation, Clean Fuels Development Coalition, to help Mid Atlantic, LLC, GM, VeraSun, Fitzgerald AutoMall, the Maryland Grain Producers Association (MGPA), Maryland Grain Producers Utilization Board (MGPUB), the Department of Energy's Clean Cities Program to celebrate the opening of five new stations in Maryland.

The event is scheduled at the Chevron Station, which is located at 12301 Middle Brook Road, Germantown, MD 20874. Invited speakers include several senior level federal and state officials. Moderated by the Maryland Energy Administration, this event currently includes the following speakers: State Senator Rob Garagiola (invited), Roger Richardson, Maryland Secretary of Agriculture, Carlos Horcasitas, owner Mid-Atlantic Petroleum, LLC, Jack Fitzgerald, President and owner of Fitzgerald Automalls and Rick Eggebrecht, VP Verasun to name just a few.

We welcome your attendance in a show of support the development and use of E85 in Maryland. Please come out and fill your Flexible Fuel Vehicles or find out more about how you can continue to help the development of this important economic, environmental, and energy security program in Maryland or in your immediate area.

If possible, please reply to Lynne Hoot, 410-956-5771/email [lynnehoot@aol.com](mailto:lynnehoot@aol.com), so that we may plan accordingly for parking and refreshments.

Sincerely,

Burl Haigwood
